Dear Sir,

Sutherland Agricultural Society
Annual Show - Saturday, 22nd. July, 1972

I refer to the attendance of your firm's aircraft at Dornoch Air-Strip on the occasion of the annual show of Sutherland Agricultural Society on Saturday, 22nd. July, 1972.

The aircraft were operating all day and accordingly made a considerable number of landings at the air-strip. The Town Council at a recent meeting (prior to date in question) fixed a charge of 30p per 1,000lb landing weight for the landing of private aircraft. If this charge were made in respect of the number of landings carried out by your aircraft the charge would be rather excessive, accordingly I should be glad to hear from you what your firm would consider a fair charge for the use of the airfield, in order that it might be considered by the appropriate Committee.

Yours faithfully,

Town Clerk.

For the attention of G. F. Trowbridge - Town Clerk

Dear Sir,

Sutherland Agricultural Society
Annual Show - Saturday 22nd July, 1972

When arrangements were made for this Pleasure Flying at Dornoch with the Estates Officer of the Agricultural Society he informed me, after speaking to the Town Council, that there would be a charge of £3.00 for the first landing only and no further charges would be made. We donated 10% of the days proceeds to the Agricultural Society and would not be exactly enthusiastic about paying any more towards the days flying. Perhaps we can negotiate future terms in advance.

We enclose our cheque for £3.00 as agreed and trust this is satisfactory.

Yours faithfully,
for AIRGO

Dear Sir,

Dornoch Aerodrome - Pleasure Flights
Sutherland Agricultural Show - 22nd July, 1972

I refer to your letter of 9th August, 1972 enclosing a cheque for £3.00 as landing fee in connection with the above matter.

Your letter was submitted to the Town Council at their meeting on 29th August 1972 when they resolved to accept your cheque in settlement. The Town Council did, however, express some concern at the separate arrangement made with the Agricultural Society of which they were uninformed. Accordingly it would be appreciated, if, as you suggest, that future arrangements were negotiated well in advance of the Annual Show.

Yours faithfully,

Town Clerk.

Dear Sir,

Royal Agricultural Show - 22nd July, 1972
Use of Air-strip for Pleasure Flights

The Town Council had under consideration at their meeting on 29th August, 1972 letter dated 9th August, 1972 from AIRGO the organisation who operated the pleasure flights from Dornoch Aerodrome on the occasion of the Annual Show on 22nd July, 1972.

The Town Council have accepted the fee offered by the firm but did express some concern that a separate arrangement was made with the Society whereby the Society received 10% of the proceeds of the pleasure flights. In view of the capital outlay involved in putting the Air-strip into commission as it is at present, all future arrangements will require to be made through the Town Council well in advance of any events taking place on the Air-strip. Accordingly it would be appreciated if you would advise me well in advance of the 1973 Show regarding any requirements in connection with the Air-strip.

Yours faithfully,

Town Clerk.
